

Commissioner Brown Faces Agnew In Runoff

Band School Slate Opens Monday

It was announced by Walter P. Chalcraft, director of the Hamlin school bands, that the second annual summer band school will begin with registration on Monday, July 31, in the high school band room.

Classes are to be free, and are designed for all levels of achieve-

ment, with special classes for beginners. It is urged that all who plan to take up an instrument this year attend the summer classes, as more personal and intensified instruction is possible at this time.

Instruction will be concentrated on playing and musicianship, but will include drills and formations. Classes will be held in the morning, with section rehearsals in the afternoon. This school will run for four weeks.

Mr. Chalcraft cordially invited all interested parents to see him in the high school band room any time from July 31st on.

Denman Morgan and Ray Stevens of Lubbock visited in the home of Mr. and Mrs. J. P. Morgan.

"Miss Alice, Texas," above, is in reality Miss Pola Ellis, who will represent her home town at the Miss Texas Pageant at the Landa Park in New Braunfels, August fourth and fifth.

Miss Ellis was selected this year as "Miss Buccaneer Days" at Corpus Christi during a celebration in that city.

Hopper Station Now Closed At Anson

The Jones County grasshopper bait mixing station, closed Monday, July 24. Calls for the poison dropped off last week to practically none.

Hoppers can still be controlled by spraying or dusting Toxaphene or Chlordane according to Bill Lemberg, county agent.

Cotton boll worm, leafworm and boll weevils have taken over the insect picture this week. The three insects can be controlled by dusting with calcium arsenate at the rate of 15 pounds per acre or with 20 per cent Toxaphene and 40 per cent sulphur or 3-5-10 mix at 10 pounds per acre.

For those using sprayers, 2-1 mix or Toxaphene at 1 and one half quarts per acre will give good control.

Coaches Off For Football Clinic

Coaches Jess Burditt, Vernon Townsend and Bob Nunley are to be in Austin for the start of the annual coaching school which is to convene Monday, July 31.

Tutors for the school this year are to be Bud Wilkinson, master of the Split T at Oklahoma University and Clarence "Biggie" Munn, exponent of the single wing.

The school will be climaxed by the annual North and South All Star game in which outstanding high school stars will perform under the tutelage of the two big-name coaches. Wilkinson is to coach the North squad this year and Munn will guide the destinies of the South.

The local coaches will finish their course and return to Hamlin on August 5.

Conoco Upsets In Trouncing VFW for Berth In Finals

Startling reversals of form have marked the final week of play in the city softball league which finds Conoco contesting mighty Sylvester in the playoff finals.

Doped to be easy pickings for VFW after woeful exhibitions in early season play, Conoco fell before the slants of Pokey Woods in the first game of their series with VFW. Then they suddenly found their spark and by dint of early inning scoring, swamped the VFW club in two straight outings.

During this display of fireworks, Sylvester was methodically going about the business of disposing of Neinda to await selection of their opponent in the finals.

Came the crucial opening of the final series between Conoco and Sylvester Tuesday night and through oversight Jim Hooper, Conoco pitcher, was not advised of the power that lurked in the Sylvester bats. Result, Conoco 9, Sylvester 5.

The game ran true to pattern except for the display of power coming from the young team. Conoco tallied four times in the first inning and were never in danger from there on in.

Hooper, Clyde Brown, Glenn Adair and Lippe are pounding the pellet at a merry clip and Henderson is contributing something base knocks to aid the Conoco cause.

The champion will be determined on a two out of three basis and Sylvester entered the Thursday night encounter with a determination to even matters so as to bring about a Saturday night climax to the festivities.

Shivers Returned To Governor Chair

Another Democratic primary election has assumed its place in history following the close of the polls last Saturday evening, and with the final curtain comes little change in the political picture for Jones County.

Only run-off campaign that will result from the July primaries in the county will be that to determine the party representative in the race for county commissioner in Precinct One.

Roy C. Brown, incumbent commissioner held a lead of 86 votes over Johnnie Agnew when the returns were in. A vote of 112 had been cast for Henry Holloway, third candidate in the race, which left Brown well shy of a majority over the field.

Indications are that a spirited campaign is to be conducted by Agnew and Brown in the run-off race.

Other incumbent commissioners were returned to head their party with single candidate opposition. Sheriff Bill Dunwoody gained a substantial majority over the only opposing candidate, Dave Reeves, and will assume his place as the Democratic nominee. Vote was 1,593 to 1,057.

Only definite defeat suffered by an incumbent was in the Justice of the Peace race in Precinct Two, where Joe Mathis administered a convincing victory of Bill Pelton, his predecessor in that office.

Governor Allan Shivers clearly had gained a plurality over all candidates and Casio March, principal opposition candidate conceded election of Shivers.

In the scrambled race for lieutenant governor, Pierce Brooks of Dallas will contest with Ben Ramsey of San Augustine for that selection on the ballot. G. C. Morris ran a strong third in this race.

Steel for Stadium Speeds Building

This week marked the arrival of the first shipment of steel for erection of the new section of the football stadium for Hamlin High School.

Work of the erectors has started and school authorities anticipate increased interest in their ticket sales as a result of a visual evidence of the increased seating capacity.

The stands, when completed, will be an exact duplicate of the stadium now in use at Stamford and are designed for the comfort of the football fan. First row of seats in the new stands will be five feet above the ground and there will be no obstruction of view for the spectators.

School authorities report that option sales have fallen off from the tempo of opening days of the campaign and purchases are only being made through personal appeal to the individuals. It is feared that loyal supporters of the Pied Pipers will be denied the privilege of selecting choice seats through inability to contact them while they are available.

A canvass is to be made prior to placing reserved seats remaining on sale on a season basis. It was explained that purchase of an option does not obligate the option holder to purchase the seats he has reserved for every game, inasmuch as the option only makes the seats available for his purchase up until four o'clock on the evening preceding the game.

Mrs. Cameron Owens and her children, Nancy and Ronald, is spending the week with her parents, Mr. and Mrs. E. A. Preston.

Alaska is more than twice the size of Texas.

Miss Jackie Farris, who will enter the "Miss Texas" Pageant in New Braunfels on August fourth and fifth, proves here that she is well qualified to seek the title of "Miss Texas." With the title goes the "Miss Texas Scholarship Award" of \$500.00 and a shot at the title of Miss America in the Pageant to be held in Atlantic City in September.

Miss Farris was recently judged Miss Del Rio, Texas; Sweetheart of the University of Texas; and appeared with Miss America at the San Antonio Fashion Regatta this year.

Mrs. Anna Gruben Brad Rowland Tells Of Football Hopes

Mrs. Anna K. Gruben, 85, a native of Germany, died Tuesday night at 9:45 at her home a mile and a half southeast of Royston, where she had lived 52 years.

She was the widow of Epke Gruben, a prominent farmer and orchard grower, who had died in 1945.

Funeral was held Thursday at 3:00 p. m. at the Royston Baptist Church with Rev. L. R. Stuckey, McCaulley; Rev. D. G. Reed, Bradshaw and Rev. Temple Lewis, Weinert, officiating.

Burial was at Roby under the direction of the Barrow Funeral Home of Hamlin.

Born May 23, 1865, in Germany, Mrs. Gruben is survived by two sons, four daughters, seven step children, 56 grandchildren, 95 great grandchildren and three great-great grandchildren.

The children are W. C. and Henry Gruben, both of Spur; Mrs. Marie Gruben and Mrs. Sena Overton, both of McCaulley; Mrs. S. R. Brumfield, Odesa, and Mrs. Henry Sebohds of Nelson, Nebraska.

Stepchildren are Will Gruben, McCaulley; Mrs. Lena Cooley, Abilene; John Gruben, Long Beach, California; Mrs. Belle Thompson, Irving, Texas; Mrs. Ankie Parker, Clovis, New Mexico; Epke Gruben, Brownfield; and Mrs. Hannah Daniel, San Antonio.

Pfc. James Wells Stationed at Ft Worth

Pfc. James M. Wells, 18, son of Mr. and Mrs. George Wells of Hamlin was recently assigned to the 7th Maintenance Squadron at Carswell Air Force Base, Fort Worth, according to a report received by The Herald.

He is a native of Hamlin where he graduated from high school, before entering the Air Force in 1949.

He was last stationed at Sheppard Air Force Base, where he attended airplane and engine mechanic's school. He has 14 months previous service with the Air Force.

Mr. and Mrs. Bill Frederick and children returned Friday after spending a vacation with Mr. and Mrs. Frederick at Hankins.

Penguins use their wings for swimming.

Brad Rowland Tells Of Football Hopes

McMurry College has installed power mowers on its campus, but that fact isn't keeping little All-American Brad Rowland from keeping in shape this summer.

Last year, you'll recall, the Indians' halfback reported to Coach Wilford Moore in top condition because he had been pushing a lawn mower all summer at a dog trot.

Rowland went on to lead the Texans conference in rushing, total offense, scoring and punting and to finish fourth in the nation in those departments except punting. Brad was the only junior to make the Associated Press's little All-American first team and also gained a spot on Williamson's mid-bracket first team. In McMurry's Oleander Bowl victory, 19-13 over Missouri Valley at Galveston, Rowland passed for the tying touchdown and scored the winning tally for the Indians.

Without the lawn mower, Rowland is building up his strength roustabouting for the T&P Coal and Oil company in the oil field near his home in Hamlin.

"It's tough work, but I really enjoy it," Rowland reports.

To keep up his speed, Rowland plays baseball one or two nights a week with the Hamlin Cardinals and Hamlin baseball enthusiasts are sold on his play at third base and his power at the plate.

Hard work is agreeing with Brad. He has put on 10 pounds since spring, but he'll probably weigh a shade under 200, just as he did last fall.

The combination of Rowland and Floyd Sampson promises to strike terror to the hearts of conference foes this season, but Brad believes that Les Cowan will be sorely missed from the club as start of the season looms.

Rotarians Hear Of Ills From Hoarding

Hamlin Rotary Club in regular Wednesday session were presented with an program arranged by Carl Murrell in which Walter Adams, member of the Abilene Christian College faculty, described pitfalls that lurk as an aftermath to hoarding.

Adams made a very forceful appeal for a sane attitude from the people during war scares.

Also on the program was a classification talk from Ted Armstrong in which he explained the problems encountered in the processing of gypsum and the contribution mills such as the Celotex enterprise make to the community. Disclosures made by Armstrong brought surprise to many of his listeners.

Mr. Bryant has suffered acute pain while recuperating and is compelled to remain motionless throughout the days and nights. He is not permitted to lay on his side and must be positioned by his nurses.

Lions View Film On X-Ray Drive

Lions Club of Hamlin welcomed President Jim Howard King back to the club after his jaunt into Yankeealand for the international convention. Tuesday's session was devoted to a report on convention highlight from King and to screening of a film obtained in conjunction with the mobile x-ray movement that is to come to Hamlin.

Wesley Nail obtained the film as a means of demonstrating the vital interest that citizens should take in the activities of the x-ray unit. The picture depicted the problems of an individual who was suffering from tuberculosis without being aware of his condition.

The unit will arrive in Hamlin August 12 and will be here for public examinations August 14 and 15. Hamlin Motor Company has been selected as site at which the machine will be located.

McCaulley Revival Scheduled for August

Announcement has been made in Hamlin that a revival meeting is to be conducted in the McCaulley Baptist Church for August fourth through the thirteenth.

Reverend Clyde Rich of Blackwell is to conduct the services and he will be assisted by Rev. L. R. Stuckey, pastor.

Morning services will open at 10:00 a. m. and evening services are scheduled for 8:00 o'clock. The pastor has issued a cordial invitation to the public for the meetings.

Stamford Host To District Softball

The Director of the Stamford district of the National Softball Congress, Sam Baize, announced at Stamford Monday that the Stamford district tournament would be held there August 1 to August 5.

The meet will decide the district representative to the state tournament at Plainview on August 15-19. The Stamford All-Stars, 1949 state champions, are hosts for the tourney.

First place money will be about \$250.00, as the winner will receive 50 per cent of the gate receipts, less admission taxes. The runner-up in the double elimination affair will receive over \$100 to assist in paying their way to the state tourney.

Teams are expected from Abilene, Breckenridge, Fort Worth and several other towns in Central West Texas. Team managers interested in entering should contact Hal Fees, Box 521, at Stamford. Entry fee for the tournament is \$25.00, \$15.00 of which will go to the runner-up and the remainder for trophies and tournament expenses. The National Softball Congress is an amateur organization and is recognized by the AAU as such.

Late Thursday reports were that John Hamilton, Conoco manager, will form Hamlin All Stars for entry in the meet.

Teams are expected from Abilene, Breckenridge, Fort Worth and several other towns in Central West Texas. Team managers interested in entering should contact Hal Fees, Box 521, at Stamford. Entry fee for the tournament is \$25.00, \$15.00 of which will go to the runner-up and the remainder for trophies and tournament expenses. The National Softball Congress is an amateur organization and is recognized by the AAU as such.

Rotarians Hear Of Ills From Hoarding

Hamlin Rotary Club in regular Wednesday session were presented with an program arranged by Carl Murrell in which Walter Adams, member of the Abilene Christian College faculty, described pitfalls that lurk as an aftermath to hoarding.

Adams made a very forceful appeal for a sane attitude from the people during war scares.

Also on the program was a classification talk from Ted Armstrong in which he explained the problems encountered in the processing of gypsum and the contribution mills such as the Celotex enterprise make to the community. Disclosures made by Armstrong brought surprise to many of his listeners.

Mr. Bryant has suffered acute pain while recuperating and is compelled to remain motionless throughout the days and nights. He is not permitted to lay on his side and must be positioned by his nurses.

Cowan Rejects Bid Of Los Angeles Rams

Les Cowan, Hamlin's great contribution to line play in football, as evidenced in his three-time selection as all-conference end for McMurry College, has turned thumbs down on professional football as a career.

The problem of rejection of an offer from the Los Angeles Rams following listing of Cowan on their draft list has been confronting him ever since he finished his eligibility. He returned the contract unsigned.

Uncertainties of professional football led the 25-year-old Cowan to reject the contract in favor of possibilities of entering the coaching field.

Tipping the beam at 242 pounds did not deter Cowan from participating in track events at McMurry nor from being a constant threat on the gridiron with the end-around play.

Anson Hotel Now Ready to Open

Anson's new \$200,000 Hotel Anson will be officially opened for public inspection Saturday night, July 29, from 8:00 p. m. to 10:00 p. m., H. J. Pickney and Louise Bentley, owners, announced.

The hotel was started last November and the furnishings of the building were completed late this week. Mr. Pickney and Mrs. Bentley were encouraged and assisted in establishing their hotel in Anson by the Chamber of Commerce and other civic groups. They are both experienced hotel and coffee shop operators, having been in Dallas for several years.

The building is of two-story design and "L" shaped, facing 100 feet on Commercial Avenue in the southern portion of the city. Face brick is white and all floors in the public portion of the building are covered with an asphalt tile.

Forty-three bedrooms are contained in the new hotel, each with a private bath. Modern air conditioning has been installed.

"We have seen a dream of many years come true with the completion of this hotel," Ed. W. Sprows, chamber president stated.

Mr. and Mrs. T. R. Tegart spent Sunday in Snyder visiting Mr. and Mrs. Stanley Hill.

Life Ends Colorful Career for Artist "Tex" Moore After Lingerin Illness

Hamlin was saddened at the news of the passing of John Marcellus (Tex) Moore at his Wichita Falls home Tuesday.

At the age of 84, life ended for the colorful Moore, who had come to Hamlin at the behest of Mr. and Mrs. Joe McCrary, whom he had met at Ruidoso and resided here from 1940 to 1947.

He had been officially named as official cowboy artist by the state legislature in 1935 and devoted the principal part of his

Cardinals Tromp On Loraine Nine

Benny Ford cranked up his creaking right arm Sunday at Loraine and pitched the Hamlin Cardinals to a convincing 5-0 shutout victory over the hard ball club from that town.

An emergency starter for the Cardinals, Ford came through with an exhibition of spot pitching that had the Loraine club floundering. Three hits were all that could be made off Ford's slow curve ball and he never had to come in there with his fast ball.

In support Ford had Brad Rowland, Joe Dean, Vernon Townsend and G. C. Black performing in the infield with Earnest Jenkins performing behind the plate.

Butler, Wilson and Joe Ford patrolled the outer gardens and turned in some sparkling defensive work.

Wilson delivered with two singles for the locals.

An ambitious schedule of late season games have been scheduled for the weeks to come, first of which will be an encounter with Rotan Friday night at the City Park. Game time has been set at 8:16.

Sunday will bring the Dickens City Independents to Hamlin for a return encounter after Hamlin's loss to them last week by a 5-3 score. The Cardinals are primed for revenge in the Sunday encounter.

A group of outstanding clubs in the section are indicating an interest in coming to Hamlin and some outstanding exhibitions are in the offing for Hamlin fans.

ATTEND REUNION

Mr. and Mrs. Jack Wharton were hosts to a reunion of the Metcalf family at their home in Swenson Sunday, July 16th. This is one of the pioneer Stonewall County families.

Among those attending were Mr. and Mrs. Earnest Jenkins and daughters from Hamlin.

Mr. and Mrs. J. Cleo Scott and family of Conroe visited Mr. and Mrs. T. R. Tegart Wednesday.

Flying any national flag upside down at sea is the international distress signal.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be corrected, gladly and promptly, upon being brought to the attention of the management.

June Retail Sales Off One Per Cent

Preliminary tabulations placed Texas retail sales at \$558,398,000 in June, falling one per cent from May, but rising 18 per cent from June 1949. The Herald learned today from a report from the University of Texas Bureau of Business Research.

Total durable goods sales rose six per cent in June from May and 31 per cent from June a year ago; while nondurable goods sales slid 8 per cent from May, but stepped up four per cent from June 1949.

Household and appliance stores, up 14 per cent, turned in the largest gain in durable goods sales in June from May; followed by

sales increases in lumber and building materials, eight per cent; automobile sales, seven per cent; and farm implements, five per cent.

May-to-June declines in durable goods were registered in jewelry stores, nine per cent; and hardware and furniture stores, one per cent.

In comparison with June 1949 durable goods sales, automobile sales climbed 39 per cent in June 1950; lumber and building material, 38 per cent; farm implements 23 per cent; household and appliance goods, eight per cent; furniture, six per cent; and jewelry, one per cent. Sales in hardware stores slid three per cent during this period.

Office, store and school supply dealers turned in the largest increase in sales in the nondurable good group—six per cent; follow-

ed by filling stations, five per cent; and food stores, up fractionally.

Monthly decreases in nondurable goods sales were recorded in florists shops, 35 per cent; department stores, 20 per cent; apparel stores, 16 per cent; general merchandise stores and drug stores, five per cent; country general stores, two per cent; and eating and drinking places, one per cent.

Compared with June 1949, sales of office, store and school supplies stepped up 34 per cent, while filling stations and food stores rose six per cent.

Other gains were turned in by department stores, eating and drinking places, and general merchandise stores, four per cent; drug stores, three per cent; florist shops, two per cent; and apparel stores, one per cent. Sales of country general stores fell 14 per cent during the period.

John Adams was the first U. S. ambassador to England.

Letter carriers' uniforms are a 50-50 blend of the Union Blue and Confederate Gray.

"DIG OR DIE"—In Korea, where U. S. jet planes and the modern Soviet-built tanks of the North Koreans have been making headlines, the GI in the field still finds the age-old shovel his most effective means of protection. A front-line American soldier is shown digging a hole that his life may depend upon.

New Deodorant Protects Daintiness

THE problem of keeping dainty during hot weather is one that crops up every summer. One way to deal with this worry is to pay closer attention to baths and shampoos and other fresh-up routines. Important among these are deodorants.

Women are being given a boost this year in solving their perspiration problems. New products are appearing, and old standbys in the deodorant and anti-perspirant lines are coming out in brand-new forms.

Among these are liquid spray deodorants. One maker claims for his product a high effectiveness in taking care of underarm moisture, and at the same time boasts of the non-messiness of application.

Women who dislike using their fingers for spreading deodorants may find this plastic squeeze bottle suited to their needs. A "built-in" bellows sprays the deodorant in a fine, easily controlled spray.

Summer vacationers will also be aided in their packing by another deodorizer—this time an old friend in a new container. Shown at left, the product was formerly packaged in a jar but can now be obtained in a tube also. Unbreakable, the tube requires no special wrapping before being tucked away in a suitcase.

All in all, Milady can find many useful aids on the market for her age-old battle against the discomfort and embarrassment of perspiration.

The woman with a wise shopping eye should have no trouble in buying a fresh-up product that will enable her to stay as fresh and fragrant as an early morning breeze.

AMMO CARRIERS—A U. S. Army team is shown slogging through rice paddies with machine gun ammunition for embattled front-line forces. To date, many reverses suffered at the hands of the armored North Koreans have been due to a shortage of ammunition, the life blood of artillery and small weapons units.

It's Super

for Long-Lasting Pep!

Life begins at 50,000 miles... when you OIL-PLATE the engine of your car with new Conoco Super Motor Oil!

Proved by 50,000-Mile Road Test! After a grueling 50,000-mile road test, engines lubricated with new Conoco Super Motor Oil showed virtually no wear at all... an average of less than one one-thousandth inch on cylinders and crankshafts. Proving that new Conoco Super Motor Oil—with proper crankcase drains and regular care—can keep new-car pep, new-car performance, year after year!

Come in and let me tell you about "50,000 miles no wear!"

Mrs. Ann Poling, 609 Delaware St., Indianapolis, Indiana, who was suffering from deficiencies of Vitamins B₁, B₂, Iron, and Niacin, smiles as she pours herself another cup of coffee. Mrs. Poling says life lately is like it used to be years ago... "that is, of course, since I've been taking HADACOL." She can't get over what a difference HADACOL has made in her outlook on life.

Mrs. Poling says: "Three months ago a good friend of mine told me about HADACOL—she knew how much stomach distress I have had. Any type of food that was fried or that had acid in it I just couldn't eat. It affected my sleep, too. In fact, I couldn't have been in a worse condition. When I ate what I wanted to I felt miserable and when I didn't eat these things—I didn't have a proper diet and still felt bad. Then, when I started taking HADACOL, I felt better immediately. I've got a bottle in the house now—and will continue to keep HADACOL from now on. I have told many folks about HADACOL—and they all thank me for telling them about HADACOL. They all have gotten wonderful results from HADACOL like I have. Now I eat anything I want and get a good night's sleep. I can't praise HADACOL enough."

HADACOL Can Help You, Too! It has helped thousands of others whose systems lacked Vitamins B₁, B₂, Iron and Niacin. Yes, even hundreds of doctors have recommended HADACOL to their patients. The HADACOL formula is so effective for stomach distress, nervousness, insomnia, constipation, aches and pains of neuritis, and a general run-down condition caused by such deficiencies.

Make Up Your Mind... to give HADACOL a chance to help you, as it has helped countless thousands of others. Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, \$1.25, or the large family or hospital size, \$3.50, and if HADACOL does not help you your money will be refunded.

BULL THROWS CHINA AFTER VICE VERSA—A documentary film producer in England, assigned to make a movie about porcelain, decided to bring the old catch-phrase, "a bull in a china shop," to life. But when he placed Madersfield Champion, a four-year-old Red Ayshire, in the proper setting, nothing happened. Perplexed by the opportunity at hand, the bull stood as quietly as a china doll. Meanwhile, the cameramen yawned. Finally, the producer called in the bull's girl friend and the feminine inspiration produced the above results.

Mrs. L. J. Fletcher and daughter, Annette, spent last week in Borger visiting with relatives. Mrs. Fletcher is employed at the Vogue Beauty Shop.

These visiting in the home of Mr. and Mrs. Ezra Shira last week were Mr. and Mrs. R. W. Abney of Whiteface; Miss Billie Nell and Judy Helton of Fort Worth and Mrs. James Shira and children, Bo, Barbara and Peggy, of Tyler.

Miss Gerry Shira left Monday for New York City, where she will work while awaiting assignment to civil service work in Europe. Enroute she will visit friends in Chicago and Baltimore.

Defend Fish Plight

Superintendents of the 12 state fish hatcheries have worked out new strategy to try to counteract disastrous effects of rare weather extremes, according to the Director of Hatcheries for the Game, Fish & Oyster Commission.

Meeting in game department headquarters in Austin, the officials decided to adjust hatchery water levels when the temperature drops to dangerous depths so that the spawn will not be destroyed by chilling.

Unseasonable weather last spring hit some hatcheries hard and cut black bass production for the year from an estimated 20,000,000 to an expected 14,000,000. A February warm spell

causing the brood fish to spawn unusually early. Then a cold snap caused water temperatures to drop drastically, wiping out quantities of spawn.

The Hatcheries Director said superintendents will not try to regulate the hatchery water temperature to control the time for the bass to spawn. Rather, he explained the water in the ponds will be kept at a low level. This will influence the brood bass to build their nests at a lower level. If freezing temperatures threaten the spawn, more water may be run into the ponds. The nests then would be deeper from the water surface and consequently subject to slower temperature change.

Water from the hatchery supply source also would be warmer than the water in the exposed ponds. Thus the additional emer-

MARKWELL FASTENS QUICKER 'N' EASIER!

Bait Laws Draw Anglers' Interest

Varied and at times conflicting local regulations on seining and possessing bait apparently are bothering Texas fishermen, according to a report from the Texas Game, Fish and Oyster Commission.

This is indicated by requests for information from the game department and its field men and by occasional arrests for violations.

The basic state law permits the use of a 20 foot minnow seine but forbids taking any variety of game fish for bait. There are so many special county laws that fishermen are advised to obtain a complete set of fishing laws or to check with their local game warden.

Most counties permit seining of bait. Many counties forbid seining of bait for sale. Many set a limit on the number that may be taken. The maximum ranges from 125 to 500.

Fishermen, many of whom usually catch their own bait, become agitated by reports conflicting with the law. Recently a rumor circulated that Lake Travis, near Austin, had been closed to seining for bait. Several calls were received by the game department.

Some anglers, possibly through carelessness, are caught with game fish they have taken with their minnow seines. They are reminded that game fish fingerlings have much the same characteristics as the adults. That applies, for instance, to bass and crappie fingerlings. Fishermen familiar with the appearance of the different adult species seldom have any difficulty determining what is legal and what isn't. The authorities suggest that persons in doubt had better return the fish to the water.

Staplers at The Herald.

agency flow would help control the pool temperatures. Installing heating systems for the hatcheries was deemed too expensive.

The hatcheries director said the increased water level in the ponds should not be sufficient to drive the bass from their nests.

Illegal Hunting and Fishing Nets Fines

Fishermen comprised one-third of game and fish law offenders during June, but the largest fines were paid by illegal deer hunters and stream polluters, according to the Texas Game, Fish and Oyster Commission.

Total of fines and court costs was \$4,450.65 for 202 cases compared to \$3,988.30 for 133 cases for June, 1949 and \$4,024.85 for 182 cases for May, the preceding month this year.

Seventy persons were charged under the fishing license code, with 62 Texans drawing fines for having no license. The other eight were non-residents.

The alertness of wardens in checking anglers' bait under the new law which permits persons to fish without licenses in counties adjoining their home counties, providing they do not use live or artificial bait was reflected in two cases. One San Antonio man and one Adkins man assured the investigating wardens they were using worms. When the officials checked further, they found they were using minnows. The strategy backfired so badly that both men paid fines and lost their fishing rights for one year.

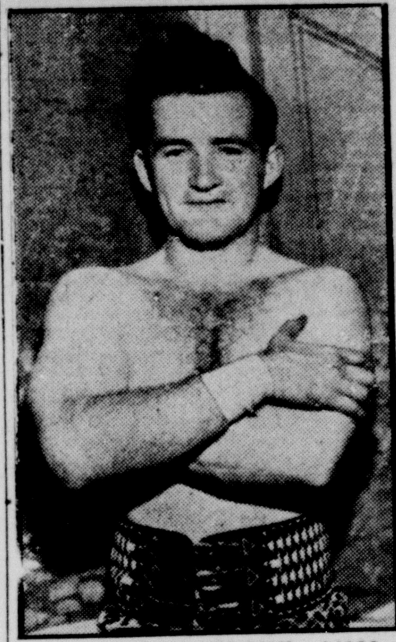

The largest individual sum paid during the month was \$219.75 in fines and costs levied against a Corpus Christi man for operating two unlicensed commercial fishing boats in coastal waters. The

Mr. Link Robinson, 519 Lindsey, is the most content and satisfied man in Newport, Ky. In fact, he says there isn't a thing in the world that can irritate or upset him now that he is on the HADACOL band wagon. If there ever was a man who thought HADACOL is the most wonderful thing in the world, it is Link Robinson, since he learned that his system lacked Vitamins B₁, B₂, Iron, and Niacin.

Here is what Mr. Robinson has to say about HADACOL, which is now supplying liberal quantities of these essential elements: "I have been a steel worker for over twenty years. When you are a steel worker, you have to do plenty of good, hard work, and you need lots of good, substantial food. But when a stomach is in as bad a shape as mine was... I couldn't eat. I had gas pains, stomach bloating and nervousness. Well, I just couldn't eat the proper foods I needed. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat the foods I need to eat to really be on the job. In fact, I can eat anything I want to. I am not nervous anymore, either. Best of all, I haven't got those terrible gas pains and no more stomach bloating. HADACOL is the best ever. I recommend HADACOL to everyone."

HADACOL is Different
Countless thousands are benefiting from HADACOL... even hundreds of doctors are recommending HADACOL to their patients whose systems lack Vitamins B₁, B₂, Iron, and Niacin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, hair and nails. Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take—you get your money back. Only \$1.25 for Trial Size; Large Family, or Hospital Size, \$3.50. © 1950, The LeBlanc Corporation

"MY ACHING BACK"—A 180-pound city employee of Trenton, N. J., 22-year-old Jack Walsch, raised 4235 pounds on his back to break the world's weight-lifting record. The previous record was held by a 390-pound French-Canadian who lifted a mere 4140 pounds.

The United States flag had 15 stripes from May 1, until April 1, 1918.

Forty-Five Day Waterfowl Shooting Recommended By Game Commission

The Texas Game, Fish and Oyster Commission recommended a straight 45-day waterfowl shooting season beginning November 10. An earlier request for a zoning season to benefit Panhandle counties has been placed before the Federal Fish and Wildlife Service as has also a proposed bag limit of eight ducks per day and eight in possession instead of the four ducks per day and four in possession allowed last fall.

The Commission authorized a nine-day antelope season west of the Pecos to be patterned after the 1948 special season in which 702 permits were issued to bag male antelope. The number of 1950 permits to be issued has not been determined.

Game and fish seasons for the newly created regulatory authority in the new twenty-eight county Panhandle area also were approved. They call for a deer and turkey season from November 17 to November 26 for all Panhandle counties excepting Armstrong, Randall and Briscoe. The limit will be one buck deer and two turkey gobblers for each hunter. The three counties were exempted because of recent restocking activities by the Game Department.

The Commission approved a whitewing dove season for September 15, 17 and 19 beginning at 4 p. m. and lasting until sunset with a limit of ten birds a day and ten in possession. The Commissioners voted for a statewide dove season of 45 days, beginning October 20 and lasting until December 3 in the south zone and beginning September 1 and running through October 15 in the north zone, with a daily limit of ten and a possession limit of ten.

The Panhandle area was granted a quail season from December 1 to January 16, which are the same dates as the general state law, but the bag limits for the new regulatory area were cut from 12 per day to 10 per day and the possession limit was cut from 36 per week to 20 in possession at any one time. The Commission abandoned plans for open seasons on antelope, prairie chicken and pheasants in the Panhandle because of insufficient data and a policy of "playing it safe" until more information on these species could be obtained.

For the regulatory area west of the Pecos, the Commission authorized a deer season and quail season similar to 1949. In this area, El Paso and Terrell counties were eliminated from the antelope shooting regulations.

The statewide deer and turkey season as well as the quail season are set by law and are not affected by the latest commission action. Deer and turkey seasons for the state at large run from November 16 through December 31, inclusive, with a limit per hunter of 2 buck deer and 3 gobblers. The quail season is from December 1 to January 16, inclusive, with a bag limit of 12 per day and a possession limit of 36 per week.

The Commission, after a lengthy hearing, authorized an increase in the quota of commercial fishing boat licenses from 1550 to 2325. It also approved experimental studies in connection with authorizing issuance of licenses for 14 additional menhaden seines, to be used until September 1.

Other action concerning the new Panhandle regulatory area include: squirrel season, May 1 to July 1 and from October 1 to December 31, with a bag limit of 5 per day and a possession limit of 5; trapping season on furbearing animals, December 1 through January 31, except muskrat, which will be December 1 to December 28, limiting crappie bag to 15 per day and 30 in possession and similar provisions for channel cat, with black bass limited to 6 per day and 12 in possession, and no bag limits for sunfish, perch, bream, blue cats and mud cats, restricting each fisherman to one trotline of not more than 20 hooks and an aggregate of not more than 20 hooks of all kinds for each fisherman; limiting a fisherman to possession of 200 minnows and putting a 20-foot limit on minnow seines.

The Panhandle regulatory district comprises these counties: Randall, Potter, Oldham, Gray, Roberts, Hemphill, Motley, Cottle, Dallam, Hartley, Childress, Hollingsworth, Sherman, Hansford, Moore, Wheeler, Donley, Hall, Hutchinson, Carson, Deaf Smith, Armstrong, Palmer, Castro, Swisher, Briscoe, Lapscomb, and Ochiltree.

Elbert L. Harris of Dallas spent last week visiting his father, R. L. Harris and his sisters, Emma Harris and Mrs. J. I. Steed and other relatives.

James and David Lawlis of Snyder were guests in the home of their grandparents, Mr. and Mrs. J. I. Steed for several days.

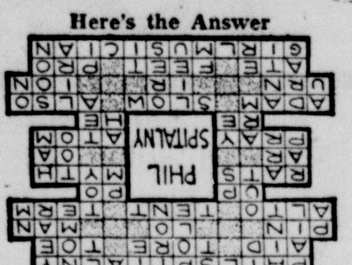

Generals Lee and Grant fought on the same side in the Mexican War.

The Millers and the Scotts held a reunion at the City Park Sunday, July 23.

Those attending were: Mrs. W. J. Miller, Mr. and Mrs. E. L. Key and son, Bruce,

of Tarzan; Mr. and Mrs. Jess Miller and children, Jackie and Beverly; Mr. and Mrs. John Cole, Abilene; Mr. and Mrs. O. D. Scott, Mr. and Mrs. John Scott, Mr. and Mrs. A. J. Scott and Jeanette, Don and Francis and Miss Reta Neff, all of Wichita Falls.

Mr. and Mrs. J. T. Scott and Bobby and Carol Ann of Bakersfield, California; Mr. and Mrs. Pat Miller and Yvonne Corner, Mr. and Mrs. D. B. Scott, Mr. and Mrs. Buck Scott and Terry, Mr. and Mrs. Gene Scott, Melvin and Melba Jean, Mrs. Jess Kelly and Queta, Mr. Ralph Johnson and Milton Johnson all of Hamlin.

Mary Martha Class Has Thursday Social

The Mary Martha Sunday School Class of the First Baptist Church, held their social for this month Thursday night, July 20, in the home of Mrs. Lewis Fincannon. Opening with prayer by Mrs. Cecil Brown, Mrs. Sigmund Stoval gave the devotional. Games were played and refreshments served.

Mrs. Lewis Fincannon and Mrs. Grady Smith were joint hostesses and Mrs. Leslie Shelton was a guest.

Those present were Mrs. Earnest Jenkins, Mrs. Bill Maddox, Mrs. Edward Gardner, Mrs. Cecil Brown, Mrs. Sigmund Stoval, Mrs. Delbert Rountree, Mrs. Grady Smith, Mrs. Lewis Fincannon and Mrs. Edd Decker.

Circle Three of WSCS Meets in Mills Home

Circle number Three of W. S. C. S. met in the home of Mrs. Jim C. Mills Monday, July 24, with Mrs. W. H. Gilbert, circle chairman presiding.

After a song, Mrs. W. J. Poe, program leader, was assisted by Mrs. D. C. Sauls and Mrs. Tom Teague. Each brought very interesting papers.

Mrs. Jackson, a guest from Dallas, gave an interesting account of the circle she attends there.

Nine members and two guests were present. Lovely refreshments of ice cream and cake were served by the hostess.

Barbara Johns Bride In Albany Ceremony

Announcement has been received here of the Thursday, July 23, wedding of Barbara Johns to W. C. Whitt of Albany. Wedding was solemnized at the First Baptist Church in Albany.

The couple will reside in Albany, where the groom is employed.

BOOK SHOP NEWS - -

Salesmen have been pretty plentiful around the BOOK SHOP this week - - all with the most tempting lines of gift merchandise! We bought some beautiful "pictures."

Mrs. James Stewart, nee Miss Louise May, has chosen three colors of Jubilee Dinnerware for her gift shower dishes.

Mrs. Joe Gay of San Angelo was a visitor at THE BOOK SHOP. Mrs. Gay was formerly Miss Ada Harwell, a neighbor and dear friend of "Ye Gift Shop Lady" - - and did they reminisce?

A big shipment of new and attractive Children's Books has just arrived - - just the thing for that birthday gift. Just call us at 63 if you can't come to town.

Mrs. L. B. Davis of O'Brien and Mrs. John Berron of Rule were shopping for books at THE BOOK SHOP this week. They found just what they were looking for!

Mr. and Mrs. James E. Simmons have just returned from their vacation trip to Bryan, Ohio, Chicago, Louisville, Ky., and Nashville and Memphis, Tenn. Camille chose a gift for a new friend at THE BOOK SHOP.

We have some Spanish-English Dictionaries - - and also books to "Learn Spanish a Quick and Easy Way."

Mrs. J. H. Maloney of Dallas, who has been serving Edwards Coffee at Safeway this week, while window shopping, found just the book she wanted in the BOOK SHOP window. (Incidentally, Mrs. Maloney said the people of Hamlin were the most gracious and hospitable that she had met in her work.)

Mr. and Mrs. W. O. Wilbanks and Mary Ann of Celotex Village are leaving on their vacation, destination Canada. They plan to fish as well as sight see. A few well chosen books go along for entertainment in relaxation moments.

Miss Dorothy Fern Routh can easily qualify as the "Champeen" reader from the Rental Library at THE BOOK SHOP. Dorothy really loves her books! Mr. and Mrs. John Zweers probably are next in line.

We have so many new and attractive gift items that it would be nearly impossible to list them all - - so, come in, browse and visit. You'll always receive a cordial welcome at

Rhoten Clan Gathers For McCaulley Fete

It was a great day Sunday, July 16, for Mr. and Mrs. J. T. Rhoten, pioneer couple of McCaulley.

Four generations of the family were present for a reunion held on that day and the event was fittingly celebrated with a feed of fried chicken with all of the trimmings.

The happiness of Mr. and Mrs. Rhoten at the presence of children, grandchildren and great grandchildren was apparent as the celebration progressed.

Mrs. J. R. Rhoten and Robert Jr. T. Rhoten, McCaulley; Mr. and Mrs. J. R. Rhoten and Robert Jr., Hamlin; Mr. and Mrs. Sam DuBoise, Dorothy Sharon and Sam Monroe, Abilene; Mr. and Mrs. B. W. Burrow and Ray Lee, Abilene; Mr. and Mrs. L. V. Hill and Robert Lewis, Hamlin; Miss Delma Rhoten, Abilene; Mr. and Mrs. J. T. Mahaffey, Florine and Evaline, Roby; Mr. and Mrs. Venson Overton, Dennis, Winona and Nell of Seymour; Mr. and Mrs. J. T. Mahaffey, Jr. and Richey, McCaulley.

Mr. and Mrs. Eugene Gruben and Ellis Wayne, Roby; Mr. and Mrs. Bob Meeks and Rosie, Hamlin; Mr. and Mrs. George Rhoten, Wayne and J. P., Longworth; Mr. and Mrs. Organ Gann, Jr., and Dickie, Sweetwater; Mr. and Mrs. Marvin Rhoten, Elmer and J. H., Hamlin; Mr. and Mrs. Lewis Gist, Charles and Irene, Sunset, California; Mr. and Mrs. Jack Johnson, Dee and Laura Faye, Borger; Mr. and Mrs. Earl Rhoten, Roby.

Mr. and Mrs. June Rhoten, James and Virginia Kaye, Borger; Miss Jo Ann Rhoten, Kermit.

Mr. and Mrs. Albert Graham, friends from McCaulley, also attended.

Napoleon was morbidly afraid of cats.

John Adams was first president to occupy the White House.

Alexander the Great wept because he had no more worlds to conquer.

Napoleon crowned himself Emperor of France.

Circle One of WSCS At Johnson Home

Circle One of the W. S. C. S., First Methodist Church, met on July 24 at 4:00 p. m. in the home of Mrs. W. T. Johnson. While cakes and cookies were being served, the business meeting was conducted by Chairman Mrs. George Poe.

Sponsor Mrs. L. H. McBride invited all officers and any of the other members to attend a seminar in Anson on August 11. The program, "Building Bridges Through Personal Consecration," was presented by Mrs. Dean Witt, Mrs. S. C. Ferguson Jr. and Mrs. Tom Wilson.

A prayer by Mrs. Alvin Hudson dismissed the meeting. Six children and twelve members were present.

Margaret Wilson returned to her home Sunday from Seagraves, where she had spent all last week visiting her aunt and uncle, Mr. and Mrs. M. D. Wampler. Her cousin, Marilyn Lofstein of Stamford, accompanied her.

Delores Bevels Weds New Mexico Youth

Word has been received in Hamlin of the wedding of Delores Ann Bevels to James A. Harvey, Jr., of Carlsbad, New Mexico.

Nuptial ceremonies were performed at Loving, New Mexico, on Tuesday, July 18. Mr. and Mrs. Harvey will reside in Loving, where he is in the grocery business.

Mrs. Harvey is the daughter of Mrs. Dorothy Bevels of Hamlin and attended Hamlin High School.

Slumber Party and Shower for Huling Wedding Principals

Principals in the forthcoming wedding of Dorothy Jean Huling to Tommie Richey, which is to be solemnized Friday, assembled Monday night at McCurdy's cabin for a combination shower and slumber party.

Present for the event were: Mary Carter, Mozelle Barnett, Jo Hargrove, Bebe Doris Shelton and Edith Ann Scott.

Carolyn Decker Feted With Birthday Party

Carolyn Decker had a birthday party at her home on Saturday afternoon.

Games were played and cake, ice cream and punch were served to 26 guests present.

Miss Decker, received many lovely remembrances of the day.

When the Liberty Bell cracked in 1835 it was tolling for the death of John Marshall.

In the painting of Washington Crossing the Delaware, a soldier is shown holding the American flag, though it had not been designed at that time.

There are approximately 5,000 honey bees to the pound.

Woman's work is never done!

WOMAN'S WORK IS NEVER DONE—that's not just idle talk. The average housewife works 63 hours a week. And she performs 70 different tasks in one day's work, which is proof positive (if anybody needs it!) that housekeeping is a rugged job!

Of course, today's housewife has many electric helpers to lend a hand and take much heavy work out of housework. But even the finest appliances need something else—low-cost, dependable electric service to give them life and usefulness.

That's why it's a compliment that West Texas housewives take electric service for granted. You flip a switch and know your electric helpers are ready.

You can take its economy for granted, too. For your electric service is just about the smallest item in your family budget. It costs less than a pack of cigarettes a day, yet it helps you sew, cook, clean, wash and iron, guards your health, cools your home, heats water, entertains you. What else gives you so much living value—at such little cost?

West Texas Utilities Company

What a stepper!

Just hint to the gas pedal and she steps out like no other low-priced car. And that's true whether you're driving a Ford V-8 or "Six". But this high-stepper is a low spender when it comes to costs. You can own a V-8, for example, for hundreds less than most "Six's"—and a Ford "Six" for even less.

What a stopper!

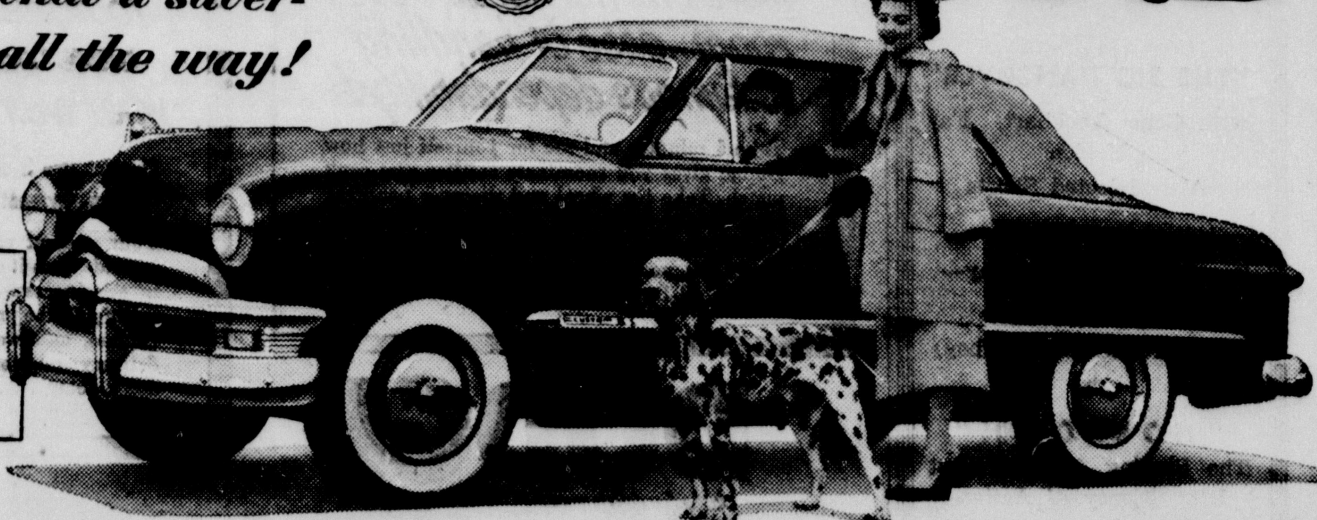

This '50 Ford actually helps you apply the brakes. They're 35% easier-acting King-Size Brakes that use car momentum to help you stop. Like Ford's extra-rugged "Lifeguard" Body, they give you the kind of protection you'd expect only of costliest cars. And for added safety and comfort, you ride low and level in the "Mid Ship" section of the car, between the wheels—not over them. You're cradled in comfort on "Hydra-Coil" front springs and "Para-Flex" rear springs that give a road-bugging smoothness truly amazing.

What a looker!

Yes, again in '50, Ford received the Fashion Academy Gold Medal as "Fashion Car of the Year." And Ford's stay good looking because their baked-on finish is "made to live outdoors." That means high resale value which, together with Ford's low running costs, puts Ford further out front as America's savgiest car.

And what a saver—
all the way!

Veterans
News

Q—What are the compensation rates payable to World War II veterans for service-connected disabilities?

A—The rates range from \$15 per month for 10 percent disability to \$150 per month for total disability. Additional amounts are payable for such disabilities as loss of arm, leg, eye, etc., and also for dependents if the disability is over 50 percent. For certain specific disabilities, the rates may be as high as \$451 per month under laws enacted by Congress.

Q—Am I entitled to more compensation for my service-connected disability incurred during World War II than a veteran who did not have overseas service?

A—No. There is no distinction

based on place of service in benefits paid by veterans Administration for service-connected disabilities.

Q—I am the widower of a woman World War II veteran whose death was not service-connected. Are the children and I entitled to a pension?

A—Under present laws, you, the widower, are not entitled. Surviving children may be entitled to a pension if they meet the requirements of the law.

Q—Is it possible to grant power of attorney to other than a lawyer to represent a veteran in a claim before the Veterans Administration?

A—Yes, it is possible. Accredited representatives of recognized organizations such as the American Red Cross, the American Legion, Disabled American Veterans, Veterans of Foreign Wars, etc., are authorized to accept power of attorney for such purposes. Also, agents have been admitted to practice before the VA and a power of attorney issued to such agent may be accepted.

Senator LeBlanc Does It Again!

Senator Dudley J. LeBlanc, creator of famous HADACOL is shown above breaking ground for the new HADACOL factory now being built alongside the present plant in Lafayette, Louisiana. This new building will be 80x235 feet, two stories, steel and concrete construction. The remarkable growth of HADACOL has forced the senator LeBlanc opened the present HADACOL plant and now less than a year later, HADACOL requires a 100% increase in factory space.

Any person may be recognized for the purpose of a particular claim upon filing of a power of attorney from the claimant and a statement signed by such person and the claimant that no

fee or compensation of any nature is to be charged or paid for such service.

Paul Revere made George Washington's first set of false teeth.

Game Hogs Get Blast from Weston

Hill Country of Texas, through increased conservation sentiment and better cooperation by the courts, is pointing the way to better wildlife protection, according to an article in the current "Texas Game & Fish" magazine.

The author, Fred Weston of San Antonio, Vice-President of the Texas Wildlife Federation, writes that universal adoption of the Hill Country movement "will mark the beginning of a downward trend in game law violations concerned. Prevention is brought about by two conditions. Sincerity of conservation beliefs in Texas."

Weston emphasizes that "convictions for game law violations must not be considered the ultimate goal of game and fish conservation."

"Rather," he goes on, "it is the prevention of violations with which we should be primarily concerned, and sure punishment of violators is another."

"Both conditions exist in much of the Texas Hill Country. More and more individuals are becoming conservation-minded and certainly the knowledge of the great number of convictions obtained in this prevents many violations because of the fear of getting caught."

Weston stresses that while reports of game law violations disturb sportsmen, that citizens are not alarmed in sufficient force. This, he explains is "because of the philosophy that warps the minds of otherwise law-abiding citizens and lets them violate a game law with no strain on their conscience."

He pleads for application of the same reaction to ordinary crime to game law violations since killing deer out of season is just as much a violation of the law as is burglary, for all laws are adopted in the interest of protecting the rights of all citizens. He recommends wider use of citizen-warden teams, so successfully used in the San Antonio area.

For the Winnah!

The energetic salesman who sells the most automatic gas water heaters in America from March 1—August 31, 1950 will be crowned "King of the Court of Flame" and will wear the jeweled crown held by the shapely Miss above. Coronation ceremonies will take place at the Gas Appliance Manufacturers Exhibition of new appliances and equipment at Atlantic City, Oct. 6th. The presentation will highlight the current national sales campaign by GAMA, in which more than 100,000 dealers, plumbers and utility personnel, are taking part.

First of the Fine Cars in Value

In this case FEELING IS BELIEVING

No, the eye does not tell everything—not in this instance.

True, it tells you ROADMASTER is smart. It tells you it's big. It shows, if you watch closely, that this brawny beauty rides level and unperturbed even when road-roughness has its wheels fairly dancing.

A glance may even indicate how much lolling comfort there is here—what wide-open freedom passengers and driver know in this gay traveler.

But how can the eye tell you how you feel touching off the great power that's under this broad bonnet?

How can it reveal the silken, swift-mounting surge of oil-cushioned take-off—smooth, silky, un-

broken, as Dynaflo Drive works its magic?

Even when you watch a ROADMASTER settle down to a long steep pull and crest the top going away, how can it tell you what thrill your spirits get from such ability?

And what can it say of the lift that's yours traveling in a beauty that catches all eyes, swivels passing heads, marks you by its very lines as traveling in as fine a car as any man can ask for?

No, these things you have to feel

for yourself, and we're delighted to help you do so.

Your Buick dealer wants you to know about ROADMASTER firsthand—wants you to drive it, try it, feel it out.

It doesn't cost a cent to arrange such a trial. It can do a lot toward opening your eyes to the day's highest standard of fine-car feel and fine-car action—not to mention "why pay more?" prices.

How about seeing your dealer right away?

Only BUICK has Dynaflo Drive* and with it goes!

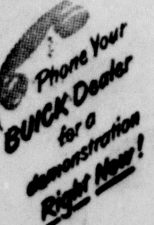

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rim low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Buick.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models

100 South Ferguson Phone 101 Sanford, Texas

FOUR-WAY FOREFRONT

This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.
